

REMARKS

This case has been carefully reviewed and analyzed in view of the Official Action dated 3 September 2004. Responsive to the objections raised in the Official Action, Claims 1, 2, 3, 5 and 6 have been amended to correct the language thereof and Claims 4 and 7 have been cancelled by this Amendment.

In the Official Action, the Examiner objected to the Claims due to a number of informalities therein. The Examiner kindly made suggestions as to correction of some of the Claim language, and for the most part, those suggestions have been adopted by the Applicant.

It is believed that the Claim language is now clear and overcomes the objections raised by the Examiner. Thus, it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
For: ROSENBERG, KLEIN & LEE
